Germicidal Cleaner Concentrate

Economical disinfectant for sewer backup or water damage jobs. This one-step heavy-duty cleaner is a disinfectant, fungicide, virucide, sanitizer, mildewstat and deodorizer all in one. Germicidal Cleaner Concentrate is effective against a broad spectrum of bacteria (including MRSA), inhibits the growth of mold and mildew, and is effective against viruses such as SARS-COV-2 (COVID-19), Influenza Type A (including H1N1 Swine Flu), Avian Influenza, HIV-1 and many others. Cleans and disinfects non-porous PPE. (EPA Regis. #70385-6)

CONCENTRATE, AVAILABLE IN LEMON AND MINT SCENTS

In Canada, ask for Disinfectant Cleaner Concentrate

Disinfectant Spray Plus

After cleanup, use to disinfect and decontaminate.

Broad-spectrum disinfectant is effective against bacteria, fungi, mold, and mildew. Use for decontamination applications including flooding, sewage backups, removal of carcasses, and more. Suitable for use on carpets, upholstery and mattresses. Disinfectant Spray Plus is the industry's most requested antimicrobial after flooding! (EPA Regis. #70385-5)

READY TO USE

Not available in California. In Canada, ask for Disinfectant Spray II.

Disinfectant Spray Plus Fragrance Free

Ideal for treating air ducts or wherever a fragrance-free disinfectant is required.

Disinfectant Spray Plus Fragrance-Free is a powerful bacteriostat, fungistat, and deodorizer. It's the one product that's right for multiple applications – water damage restoration, mold remediation and even for use in HVAC systems. (EPA Regis. #70385-5)

READY TO USE

Not available in California or Canada.

X-590

Water-based deodorizer, limited disinfectant, bactericide and deodorizer in one unique formulation.

Use for decontamination of sewage backups, carcass removal and more. Kills gram negative bacteria. It's registered for use on soft surfaces, including mattresses, and it's registered for combating bed bugs. X-590 also includes phosphorescent tracer. (EPA Regis. #70385-3)

READY TO USE

Not available in California or Canada.

SurfaceShield® Protectant

Helps protect against future water damage and staining from mold and mildew.

Used as the final step on remediation jobs or in new construction, SurfaceShield can even be applied to materials with 11-30% moisture content. Its breathable, penetrating technology is ideal for use on a variety of porous surfaces including wood, paper, wallboard, and more. SurfaceShield is an economical ready-to-use water-thin, low-VOC solution that can be applied with aerosol sprayer. Comes with a 10-year warranty.

READY TO USE

Not available in Canada.

SurfaceShield® Plus Protectant

Tinted SurfaceShield protection.

Same breathable barrier as SurfaceShield to help prevent future mold and mildew growth with an added white tint to clearly show product coverage. Comes with a 10-year warranty.

READY TO USE

Not available in Canada.

BotaniClean® Antimicrobial Cleaner

Economical cleaner, disinfectant and deodorizer - kills 99% of germs and effective against SARS-COV-2 (COVID-19).

Use wherever cross-contamination is a concern. This EPA Category IV germicidal detergent delivers broad spectrum kill of gram positive and gram negative microorganisms. It disinfects and deodorizes hard surfaces and deep cleans and deodorizes carpets, upholstery and fabrics – all in a simple one-step process. Thymol delivers consistent, high-efficacy product every time and a mild pleasant fragrance. (EPA Regis. #34810-25-70385)

READY TO USE

odorx™

9-D-9™

A highly-concentrated general purpose odor counteractant.

9-D-9 is a general purpose smoke odor counteractant specially formulated to manage fire, smoke and other strong odors. Blended with the finest-quality ingredients, 9-D-9 helps to detoxify and knock down malodors fast and efficiently.

CONCENTRATE

Bad Odor Blocks™

Easy-to-use odor counteractant.

The Bad Odor Block is a simple, convenient method to quickly suppress odors in virtually any location. Available in a wide variety of pleasant scents, the natural wicking block starts dispensing when the sealed package is opened. The Bad Odor Block media holds more than three times its weight in active ingredients for long lasting deodorization.

RTU. AVAILABLE IN APPLE, CHERRY, LEMON LIME, AND VANILLA SCENTS

C.O.C.™ Commercial and C.O.C.™ Professional

Powerful granular odor absorbent.

C.O.C. is an exclusive combination of chemical odor neutralizers and natural time-release absorbents in a ready-to-use formula. Choose from the Commercial gallon size for use in larger spaces, such as sprinkling across floor, HVAC systems or above suspended ceilings, or the Professional 6-oz. (180 mL) size that can be opened and placed in affected areas such as wall cavities or ceiling voids. This dry deodorizer is effective against odors caused by sewage, smoke, decay, putrefaction and more.

RTU. AVAILABLE IN CHERRY SCENT

Double-O™

Double-strength odor counteractant eliminates stubborn protein odors.

Double-O is specially formulated to eliminate the stubborn protein odors resulting from kitchen fires, burned meat, spoiled food, and more. Double-O is also highly effective against sewage-related odors and for water damage restoration.

CONCENTRATE

New!

Last Resort™ PLUS

The world's strongest odor counteractant additive.

Highly concentrated additive* has low VOCs yet can overcome the most obnoxious odors. Use in odor pre-sealer solutions, in smoke odor suppressants, and as a booster for strong pet, skunk, and death scene odors.

ULTRA-CONCENTRATED, DO NOT USE THIS PRODUCT AT CONCENTRATIONS HIGHER THAN THOSE SPECIFIED ON THE LABEL. *ONLY USE AS AN ADDITIVE.

Liqui-Zone™

Destroys the toughest odors.

Liqui-Zone tackles odors through a powerful oxidation process. It's highly effective on dead body odors, skunk odors, charred wood and more.

CONCENTRATE

odorx™

Smoke Wash™

Removes odors from all water-washable materials.

Smoke Wash is a cleaner and deodorant effective on all types of fiber materials, including upholstery, clothing, linens, blankets, draperies, and more. Use as laundry cleaning booster to deodorize soot and smoke odors in washable fabrics – simply add to each laundry load.

CONCENTRATE

Space Spray™

Industrial strength solvent-based odor counteractant effective against severe smoke and pet odors.

Space Spray is an industrial-strength odor counteractant effective in a wide variety of applications. Space Spray provides superior pet odor control and makes an excellent room freshener after carpet or upholstery cleaning.

RTU. AVAILABLE IN CHERRY AND CITRUS-LEMON SCENTS.

Tabac-Attack™

Remove tobacco odors permanently. Period.

Specifically formulated to neutralize odors associated with tobacco smoke. Tabac-Attack works at the molecular level to neutralize and permanently deodorize materials affected by tobacco odors. Tabac-Attack can be used on hard or soft surfaces.

CONCENTRATE

Thermo-2000™

A highly effective odor counteractant.

Thermo-2000 is a powerful water-based odor counteractant formulated for use in thermal foggers. Unlike solvent-based thermal fogging formulations, Thermo-2000 contains only food- and cosmetic-grade ingredients. Neutralizing and pairing agents work in tandem to suppress or eliminate a wide variety of tough odors. Choose the fragrance that works best with the malodors being treated.

RTU. AVAILABLE IN CHERRY, CITRUS-LEMON, FRAGRANCE-FREE, AND KENTUCKY BLUE GRASS SCENTS. APPLY WITH THERMAL FOGGING DEVICE ONLY.

Thermo-55™

Powerful heat-activated odor counteractant.

Utilizing a blend of highly purified petroleum solvents and odor-controlling essential oils, Thermo-55 creates a vapor barrier that prevents malodors from finding their way into the living environment. Solvent-based and available in a wide range of pleasant scents, Thermo-55 is especially effective for controlling odors associated with structural fires. It is also highly effective for tobacco-related odor removal.

RTU. AVAILABLE IN CHERRY, CITRUS-LEMON, KENTUCKY BLUE GRASS, NEUTRAL, AND TABAC-ATTACK SCENTS. APPLY WITH THERMAL FOGGING DEVICE ONLY.

Un-Duz-It Unleashed

All-in-one formulation saves time and money.

Un-Duz-It Unleashed™ pet odor and stain eliminator combines a proprietary blend of oxidizers, enzymes and odor encapsulants so that one money-saving product breaks down urine salts, attacks organic waste, and wipes out odor and stains! Easy to use - just one application, plus one hour dwell time, then extract. Use it on virtually any surface – carpet, upholstery and hard porous surfaces such as concrete, wood, natural stone, grout, etc. – to quickly eradicate odors caused by urine, feces and wet animals.

CONCENTRATE

UNSMOKE SYSTEMS

Air Neutralizer

Powerful odor control application and additive.

Eliminates smoke and fire odors from hard surfaces and textiles. Apply with a mister or add to other cleaning agents or paint for highly effective odor control.

CONCENTRATE

Wall Wash with BioSol

Cleans smoke damaged hard surfaces.

Contains proprietary brightening and deodorizing agents for cleaning smoke-damaged hard surfaces. Especially effective for preparing walls for painting, it removes and both wet and dry soot, and does not require rinsing: surfaces are ready to paint when product is dry!

CONCENTRATE

Degrease-All™

Tough solvent cuts through the heaviest grease and oil residues.

Degrease-All is tough enough to remove heavy residues, but gentle enough to be used as a traffic lane cleaner or upholstery pre-spray. A general-purpose cleaner, Degrease-All is highly effective on particulate and greasy soils, and can be used on most hard surfaces.

CONCENTRATE

Degrease-All E™

Clean valuable electronic equipment.

Degrease-All E is a highly concentrated cleaner and degreaser specially formulated to clean electronic equipment. Highly effective at removing smoke damage and fire related residues, Degrease-All E rinses clean and leaves surfaces residue-free.

CONCENTRATE

Un-Flame™

Easy to apply flame retardant provides long-lasting protection.

A clear, odorless, water-based liquid protectant, Un-Flame renders suitable materials flameproof. Un-Flame inhibits oxidation and produces a thin layer of char which stops flame spread and further combustion and actually extinguishes the fire.

READY TO USE

Not available in California or Canada.

Unsoot™ #1 Encapsulant

Forms a clear, encapsulating film to contain particulates and dust.

Unsoot #1's long-lasting barrier helps prevent the release of particulates, thereby helping to improve indoor air quality and occupant comfort after restoration. Use on structural wood, or for sealing duct work and ceiling plenums after fires, smoke damage, or oil burner puff-backs.

CONCENTRATE

Woodcraft™ Restoration Cleaner

Effective gel-based compound gently cleans finished wood and restores its natural properties.

Woodcraft assists in the removal of dirt and odors from any hard surface including finished wood, metal, plastic, and fiberglass. Woodcraft comes in a convenient hand pump container and is economical to use.

READY TO USE

3-Step Proven Odor Removal System

Get rid of surface deposits, airborne gases and hard-to-reach surfaces to truly eliminate the sources of odors:

Step 1: Suppression spray

Step 2: Neutralize odors

Step 3: Thermal fog

Check out the full system at Odors.LegendBrandsRestoration.com

Equipment

Blastmaster™
Versatile electric fogger makes disinfecting and deodorizing fast and easy.
Constructed of rugged molded polyethylene, the Blastmaster electric fogger produces a fine steady mist perfect for duct sealing, deodorizing and disinfecting.

Electro-Gen™
The industry's most durable electric thermal fogger.
A versatile odor control application tool, the Electro-Gen produces a true "dry fog" with a particle size similar to that found in smoke – allowing for deep, thorough penetration virtually eliminating the drips and streaks associated with conventional misters and foggers.

Thermo-Gen™ VF
The ultimate odor control machine.
The Thermo-Gen VF produces extremely fine particles – small enough to allow complete penetration of contaminated surfaces. The fog produced by the Thermo-Gen follows the same path as smoke and odors, reaching into cracks, crevices and voids.

Deodorize. Disinfect. Clean. Protect.

Proven solutions you can trust.
Anytime. Anywhere.
